August 24, 2021

Dear Montessori families,

The health and safety of our CC-Montessori community continues to be our top priority. As we maneuver through these concerning times please understand our focus is on keeping our community safe. In accordance with Texas Education Agency's Planning Guidance for Reopening for the 2021-2022 school year we have decided on 15% percentage of Covid-19/Infectious diseases cases per classroom that would require that classroom to move Distance Learning. These are listed below by class. Studies show that students learn better face to face with their peers and classroom teachers. In order to continue face to face on campus instruction we are asking for your help to keep the community safe. Please do your part by being vigilant while out in the community, take safety precautions to keep your family quarantined if they have been exposed, encouraging proper hygiene, social distancing and wearing masks when appropriate. We are ensuring daily sanitizing and disinfecting of all areas. In addition to the following self-monitoring of staff and students, we are imploring families who feel they have been exposed outside of school to consider quarantining and testing to ensure the safety of our entire community. We do have tests available on campus. We are also strongly recommending masks for all during the next few weeks.

Classrooms Percentages to move to Distance Learning

This is a total number of staff/students with an infectious disease in this classroom which need to happen to move to Distance Learning

Middle School	5 total persons
Upper Elementary	6 total persons
Ms. Stephanie	4 total persons
Ms. Gail, Ms. Jana	6 total persons

It is imperative that we all continue to work together to ensure our community members remain safe and healthy. Please know that CC-Montessori will continue to monitor the situation and will provide additional information to individual classes as needed. Thank you for your cooperation and assistance.

Sincerely,
Cerise Weeks

"The greatest gifts we can give our children are the roots of responsibility and the wings of independence."

—Dr. Maria Montessori
